### **Snow Removal Policy**

- Snow will be removed if snowfall is 2" (two inches) or more. If less than 2" of snow falls, Montrachet will not remove snow.
- Driveways and front walks will be cleared by the Montrachet snow removal contractor.
- Snow removal will not start until the snowfall has ceased.
- If snowfall is just above the 2" mark, but the weather report is for warmer temperatures the next day, the board may opt to forgo removal.
- MONTRACHET DOES NOT TREAT FOR ICE. If you choose to treat your porch, patio, driveway or sidewalk for snow or ice, please use an ice melting product that is safe for pets and for use on concrete.
